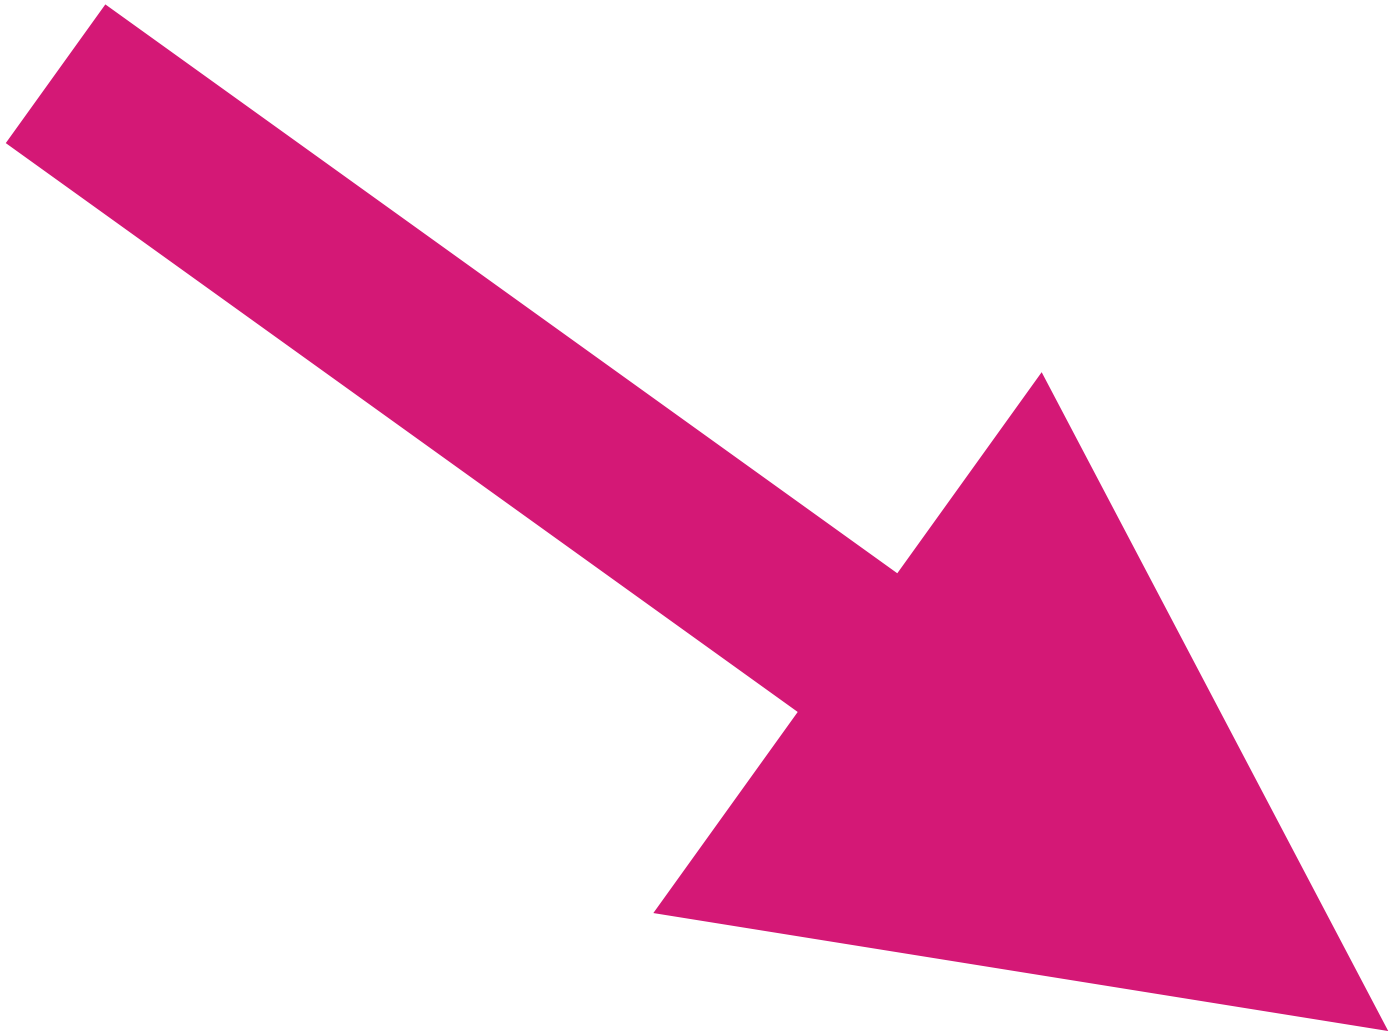
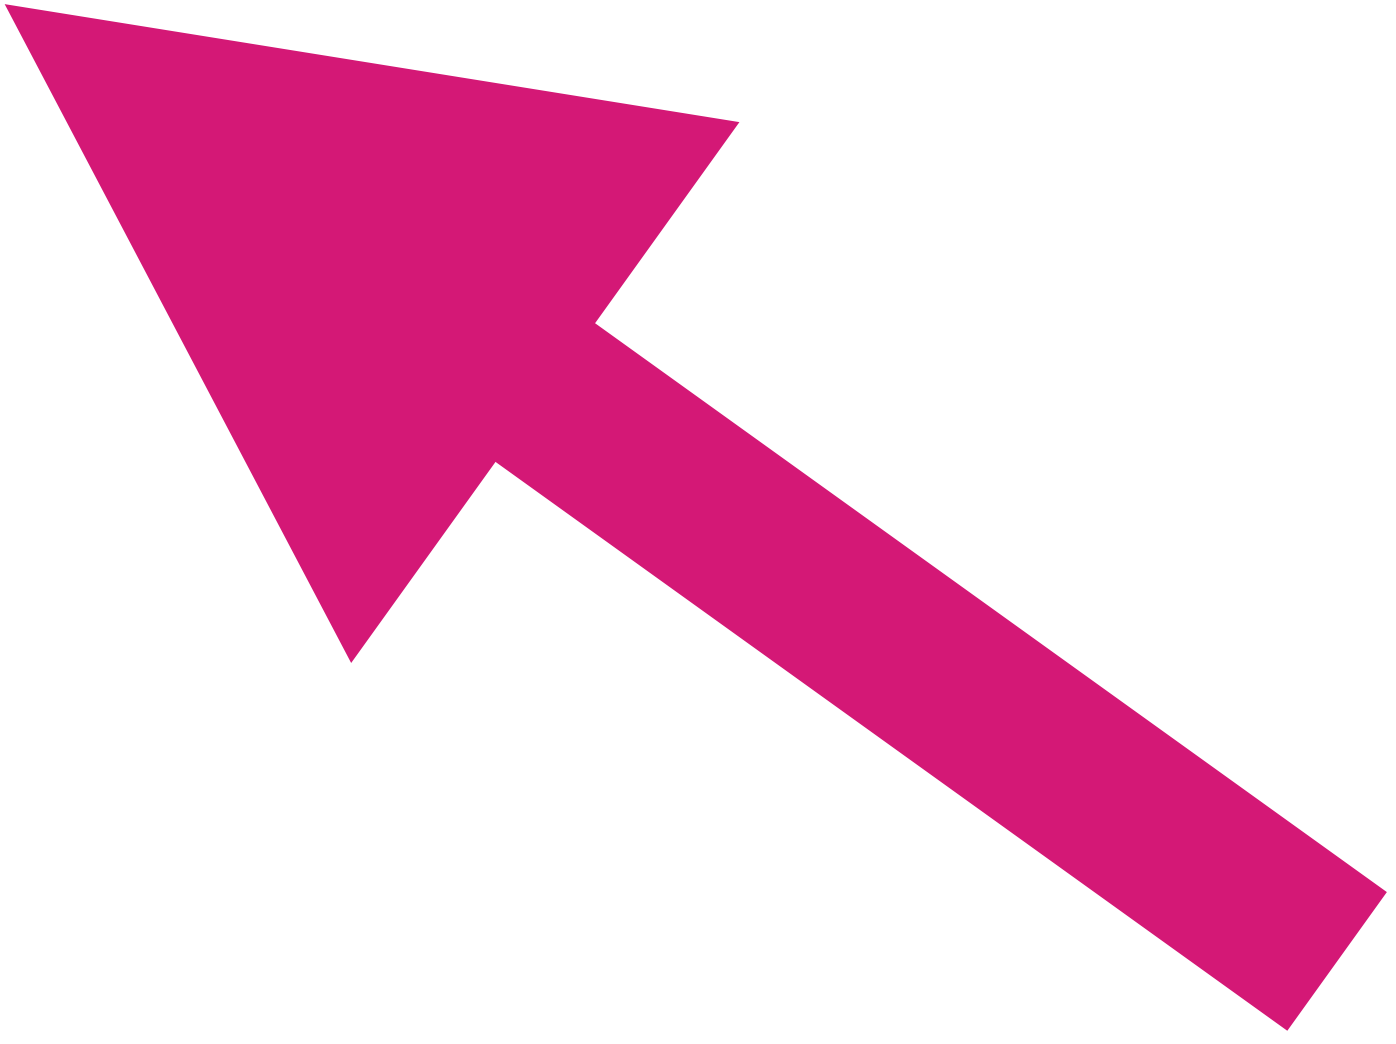
My claim

A passable theory of (trans)gender equality must take seriously *both* the gender (the metaphysics and epistemology) *and* the equality (the political and legal philosophy).

My reading of MacKinnon's reading of *Brown* (inequality conception)



My reading of Haslanger



My reading of Haslanger

A passable theory of (trans)gender equality must take seriously *both* the gender (the metaphysics and epistemology) *and* the equality (the political and legal philosophy).

My claim

My reading of MacKinnon's reading of *Brown* (inequality conception)

Legally relevant meaning of …	*Sameness–differences conception*	*Inequality conception*
'Discrimination'	Formalistic meaning (i.e., differential treatment)	Substantive meaning (i.e., systematic disadvantage)
'Sex'	Biological meaning (i.e., biological difference)	Social meaning (i.e., gender)
